

TERMS AND CONDITIONS OF SALE
MOOG INC. INDUSTRIAL GROUP
VIRGINIA AND NORTH CAROLINA SITES

Moog Inc. ("Seller"), hereby offers to supply the Products and/or services identified in the quotation, proposal, or acknowledgment to the individual or entity specified in the relevant Contract as the purchasing party ("Buyer") expressly conditional upon Buyer's acceptance of the following Terms and Conditions of Sale (the "Terms"). Seller, by its commencement of performance, shall not prejudice its rights to enforcement of these Terms. "Contract" means these Terms and any agreement for sale and purchase of Products (i) resulting from Buyer's Order and Seller's Order Confirmation or (ii) executed by Seller and Buyer, or proposed by one party and accepted by the other party in writing evidencing the key commercial terms of the transaction, including by exchange of correspondence or email or other forms of written communication. "Order" means the document issued by Buyer to order Products for purchase from Seller. "Order Confirmation" means the document or other written communication issued by Seller to Buyer accepting an Order. "Product(s)" means any product(s) and/or related services specified in the Contract.

1. ACCEPTANCE OF ORDER:

a) None of Buyer's terms and conditions that are in addition or contrary to these Terms shall alter these Terms in any respect. **By purchasing Products from Seller, Buyer confirms its agreement with and acceptance of these Terms, and agrees that, even if Buyer sends Seller another form of agreement or terms or expresses some other understanding, any alternative, conflicting, or additional set of terms and conditions of sale and purchase proposed or counter-proposed by Buyer are expressly rejected and shall not apply to any Contract, even if referred to or printed on any Order.** Fulfilment of Buyer's order does not constitute acceptance of any of Buyer's terms and conditions and does not serve to modify or amend these Terms.

b) Orders issued by Buyer shall become binding on Seller only upon the issuance of an Order Confirmation, or upon delivery of the Products, whichever is earlier. No changes to an Order issued by Buyer shall be binding unless Seller issues a new Order Confirmation or upon delivery of the Products in accordance with such changes, whichever is earlier.

c) Any Order by and delivery to Buyer is subject to, among other things, general credit approval and a specific credit limit set by Seller for Buyer at Seller's reasonable discretion. In the event that at any time Buyer places an Order to Seller which, individually or cumulated with the value of previous Orders for which payment is not yet received in full by Seller, exceeds the credit limit(s) set by Seller, Seller shall promptly inform Buyer and shall be entitled at its absolute discretion, at any time, thereby informing Buyer, to suspend or cancel such Order, or all or part of any delivery under such Order, including any Order for which an Order Confirmation has already been sent to Buyer and without any liability, for as long as such credit limit is exceeded or until Buyer provides security acceptable to Seller with respect to any amount in excess of the credit limit. This remedy shall operate in addition to all other remedies available under these Terms and at law (which Seller does not waive by the exercise of any rights hereunder).

2. EXPIRATION OF OFFER: All offers of sale by Seller are firm for thirty (30) days from the date of the offer unless otherwise specifically stated in Seller's offer or as otherwise may be expressly agreed to in writing by Seller. All such offers of Seller are subject to change without notice after this period unless earlier withdrawn by Seller.

3. FOB POINTS AND SHIPMENTS:

a) For Contracts with delivery inside the U.S., all Products and services are sold FOB origin and the point of origin shall be that of Seller's manufacturing location identified in the Contract. Title and risk of loss shall pass to Buyer at this FOB point. Seller assumes no responsibility for delay, breakage, damage or loss after delivery to the carrier. Seller reserves the right to make partial shipments at its discretion.

b) For Contracts with delivery outside the U.S., Seller and Buyer agree to apply INCOTERMS 2020. Delivery shall be FCA shipping point unless otherwise agreed by Seller and stated in the Contract. Risk of loss shall pass to Buyer as provided for by INCOTERMS 2020. Title shall pass to Buyer upon shipment.

4. BUYER'S OBLIGATION OF ASSISTANCE: Except to the extent Seller has otherwise assumed such responsibility for itself under express provisions of the Contract Buyer shall:

a) place at Seller's disposal all information necessary for performance of the work including any plans, plant layout, wiring instructions and operational information that may reasonably be expected to affect the performance of the work. This includes to the extent reasonable previous studies or reports and other data relative to the design, installation and selection of equipment for the work to be performed by Seller.

b) guarantee access to and to make all reasonable provisions for Seller to enter on its property and other public and private lands as is required for performance of the work including safe storage of equipment, materials and tools during the process of any such off-site work.

c) agree to cooperate in all reasonable ways necessary to Seller's performance of the work.

d) Buyer covenants that it has disclosed fully and accurately to Seller all general and local conditions which can affect performance of the work prescribed under the Contract or the price thereof. Buyer acknowledges that Seller is entitled to rely on information furnished by Buyer in developing its specifications, equipment selection, price and other terms of the Contract.

5. PRICE AND PAYMENT TERMS:

a) The price of the Products and the currency of payment shall be as specified in the Contract, or, if not so specified, by Seller's listed prices in effect at time of shipment. If Seller implements a general or industry specific price adjustment for any Product, all orders for such Product that are confirmed but not shipped as of the effective date of such adjustment shall be re-priced accordingly.

b) All prices are for deliveries in accordance with the delivery term stated in the Contract or in these Terms and include standard packaging costs. All prices are exclusive of any taxes, levies and other charges of any kind imposed by a governmental authority, whether of a general or of a special nature, and shall be charged to and due and payable by Buyer. All drawback of duties paid hereunder shall accrue to Seller, and Buyer will reasonably cooperate with Seller in obtaining such payment, including furnishing Seller with reasonable supporting documentation.

c) Seller may change prices, by written notice, due to changes in customs duties, taxes, vendor prices, foreign exchange fluctuations, currency regulations, or other factors beyond Seller's control until delivery. If Seller is prevented from charging any price in effect by any governmental law, order, regulation, or ruling, then Seller may cancel the applicable Contract by giving Buyer thirty (30) days written notice thereof.

d) Seller shall be entitled at its discretion to issue invoices to Buyer in digital format via e-mail. Such e-invoices shall be deemed originals. Upon Seller's request, Buyer shall be responsible for providing a dedicated and secure e-mail address and will give Seller at least a five (5) business days written notice before changing such e-mail address.

e) Payment will be made by Buyer to Seller in U.S. funds without expense to Seller. Terms are "net thirty (30) days" calculated from the date of receipt of invoice if credit arrangements have been approved in advance by Seller and such terms are included in the Contract. Seller may at all times assign its invoices to a factoring company in which case payments shall be made into the account identified on the invoice. Otherwise, payment is required before shipment or delivery in a form and arrangement acceptable to Seller. In addition to any other rights or remedies available to Seller, and without any notice of default being required to that effect, Buyer shall pay on demand interest on any amount(s) not received by Seller on the due date. Interest shall be calculated from the due date up to and including the date of actual payment at the rate of LIBOR plus 5% (or the highest rate permissible under applicable law, whichever is lower), calculated daily and compounded monthly. Such interest may be invoiced separately by Seller. Buyer shall

reimburse Seller for all costs incurred by Seller in collecting any late payments, including, without limitation, reasonable attorneys' fees.

f) In addition to all other remedies available under these Terms, the Contract, or at law (which Seller does not waive by the exercise of any rights hereunder), if Buyer fails to pay any amount and such amount is not received by Seller on the due date, upon Seller's written demand all other amounts owed by Buyer to Seller but not yet due shall become immediately due and payable on the date indicated by Seller in its demand.

g) In no event shall Buyer be entitled to make any deduction, withholding, or set off of any claim or disputed amount with Seller, whether relating to Seller's breach, bankruptcy, or otherwise.

6. OWNERSHIP:

a) Notwithstanding delivery, and without prejudice to the transfer to Buyer of the risk of loss of or damage to the Products according to the relevant Incoterm, title in the Products shall remain vested exclusively in Seller until Buyer has paid in full the price for such Products.

b) During the period in which title in the Products remains vested in Seller, Buyer holds the Products as bailee for Seller and Buyer shall identify and, insofar as the nature of the Products permits, store the Products separately or in a manner that they cannot be confused with other goods or, where this is not possible, specifically record the volume of Products belonging to Seller contained in any common storage. Buyer shall insure the Products against all risks at their full replacement value. Buyer may use or sell such Products in the ordinary course of business, subject to clause 6.c and 6.d.

c) In the event Buyer sells the Products referred to in clause 6.b, any Buyer's claims towards third parties who purchase such Products and any and all proceeds from the sale of such Products are hereby assigned to Seller, who accepts such assignments. Seller may terminate the rights of Buyer to hold and use the Products by written notice in the event the payment of any invoice related to Products delivered to Buyer becomes overdue. Such rights shall automatically terminate in case of suspension of payments, controlled administration, insolvency, bankruptcy, liquidation, winding-up, (or the equivalent under any jurisdiction) involving Buyer, or Buyer enters into an arrangement with its creditors. Upon termination of such rights: (a) all sums owed by Buyer shall become immediately due and payable; (b) Seller shall be entitled to retake possession of the Products and for any such purposes shall be granted access to Buyer's premises

d) In the event that Buyer uses the Products referred to in Article 6.b and Products are processed or otherwise mixed with other goods to form a new product, upon manufacture of such new product title therein shall be vested in Seller pro-rata, on the basis of the value of the Products over the value of such new product and in respect of each such new product the provisions of this Article 6 shall apply *mutatis mutandis*. If the foregoing is not fully valid or enforceable under applicable law, the rights of Seller shall be valid and enforceable to the maximum extent possible.

7. DELIVERY:

The prices quoted are for the delivery dates provided on Seller's sales contract form or proposal. Delivery dates are estimates only and not guaranteed by Seller. Seller shall in no event be liable for any loss or damage whatsoever incurred by Buyer due to a delay in delivery or loss or damage in transport. If Buyer refuses to accept delivery of the Product, fails to provide any instructions, documents, licenses, consents, or authorizations required to enable such Products to be delivered in accordance with the Contract, or when such delivery is not possible due to circumstances that are attributable to or at the risk of Buyer, Seller may, without prejudice to its other rights and remedies, at its sole option, store, resell or dispose of the same in any manner at Seller's absolute discretion. Buyer shall indemnify and hold Seller harmless against all costs and expenses including, without limitation, storage, disposal, and/or insurance charges, arising from such failure to take delivery. While Seller shall have no obligation to comply with unilateral directives to change schedules or temporarily cease work, Seller will endeavor to accommodate Buyer's reasonable written request for acceleration or deceleration made at least

sixty/thirty (60/30) days respectively prior to scheduled delivery. Such changes may or may not be accepted by Seller at its sole discretion. In the event Seller accepts such changes, Seller shall be under no obligation to comply therewith until a price adjustment acceptable to Seller is negotiated between the parties and evidenced by an amendment to the Contract.

8. EXPORT REGULATIONS:

Buyer acknowledges that if the Products are to be exported, they are subject to the U.S. Commerce and/or State Department Export Regulations. Buyer accepts full responsibility for and agrees to comply fully with such regulations, including obtaining export licenses and re-export permission unless otherwise agreed by Seller.

9. CANCELLATION:

a) In the event of cancellation or termination of the Contract by breach of the provisions hereof by Buyer, Buyer agrees to pay Seller's costs for work performed to the date of cancellation plus a reasonable profit as determined solely by Seller. Seller shall have no further liability to Buyer and Seller shall not be liable for any costs of cancellation, special, incidental or consequential damages (including punitive or exemplary damages) for any cause or of any nature whatsoever and such cancellation shall be in addition to any other rights and remedies of Seller under the Contract or at law. Further, Seller reserves the right to cancel the Contract or any portion thereof without liability if Buyer fails to make payment as required by the terms of the Contract or if Buyer is adjudicated bankrupt, files a petition in bankruptcy, makes an assignment for the benefit of creditors or if action under any law for the relief of debtors is taken. Further, if the Contract is accepted under a U.S. Government contract it may be terminated only for the convenience of the U.S. Government in accordance with applicable Federal procurement laws and regulations which shall govern the rights and obligations of the parties in any such termination.

b) If at any time (i) Buyer is in material breach of a Contract and, where such breach is remediable, fails to remedy it within thirty (30) days from the date the breach occurs; (ii) Buyer fails to pay any invoice when due; (iii) Seller reasonably believes Buyer's creditworthiness has deteriorated or Buyer is insolvent (whether based on the reasonable belief by Seller that Buyer's liabilities exceed its assets; the existence of a bankruptcy, assignment for the benefit of creditors, or other similar proceeding involving Buyer; a liquidation of a significant portion of the assets of Buyer; or otherwise); or (iv) a sale of a majority of the assets or a change of control of the ownership, of Buyer occurs; then in each such case Seller shall be entitled to (1) suspend its obligations under the Contract(s), including but not limited to the supply of Products to Buyer, including under any accepted Orders and or any Products in transit, or suspend acceptance of any further Orders from Buyer, as Seller at its option and in its discretion may deem fit at that moment; and/or (2) require Buyer to provide Seller with a security acceptable to Seller or pay for any deliveries by cash in advance; and/or (3) terminate any Contract immediately by written notice to Buyer without any liability of Seller for any such termination. In addition, Buyer hereby authorizes Seller to retract and void any bill of lading or other document issued to Buyer with respect to the Products as to which default has occurred and re-issue without any further documentation from Buyer. Buyer must immediately notify Seller of any actual or anticipated breach of these Terms.

c) The cancellation, termination, suspension, or expiration of any Contract shall be without prejudice to any rights or obligations which accrued prior to such termination and shall not affect Articles 8 (*Export Regulations*), 10 (*Patent Infringement*), 11 (*Property of Seller*), 13 (*Equipment Warranties and Remedy*), 15 (*Limitation of Liability*), 16 (*Confidentiality*), 17 (*Compliance with Law*), and 20 (*Applicable Law and Forum for Resolution of Disputes*), which provisions shall survive any such termination, suspension, or expiration.

10. PATENT INFRINGEMENT:

a) To the extent that the Products ordered are manufactured to designs, drawings, specifications or instructions furnished by Buyer, Buyer guarantees that the manufacture and sale or use of such Products will not infringe upon any U.S. or foreign patents. Buyer further agrees to indemnify and hold harmless Seller from any expense, loss, cost, damage or liability of any kind which may be incurred because of any such infringement or alleged infringement of patent rights with respect to such Products and to defend, at its

own cost and expense, any action or claim in which such infringement is alleged. Buyer shall promptly notify Seller of any such action and shall provide Seller an opportunity, at Seller's option, to participate in any defense of such action or claim at Seller's own expense.

b) Seller shall hold Buyer harmless from costs actually incurred arising directly from the defense of any suit for infringement of any patent by a Seller-manufactured Product applicable in the country of manufacture of the Product, provided Seller shall be given timely written notice of such suit and the option to replace the same, obtain a license, make other arrangements to avoid litigation or to defend the suit. No indemnification is offered for alleged infringement arising from the use of Seller's Products in combination with other items supplied by Buyer or from compliance with drawings, specifications or instructions furnished by Buyer as described in the paragraph above. Further, no indemnification by Seller applies if the Contract is accepted under a U.S. Government contract containing an Authorization and Consent Clause applicable hereto as prescribed by Federal procurement laws and regulations.

11. PROPERTY OF SELLER: All designs, inventions (whether or not patented), processes, technical data, drawings, plans and/or confidential information related to the Products or services to be purchased, not furnished by Buyer, are the exclusive property of Seller, and all rights, title and interest in and to such properties shall remain exclusively in Seller notwithstanding Seller's disclosure of any part thereof to Buyer or Buyer's payment to Seller for engineering or nonrecurring charges. Buyer shall not use or disclose such property to any third party or any one not having a need to know, including employees, without the prior written consent of Seller. Title to all tools, test equipment and facilities not furnished by Buyer or specifically paid for by Buyer as a separate line item under the Contract shall remain with Seller. Further, Seller does not agree to submit to Buyer as a result of the consideration paid under the Contract, any information, technical data or drawings which are proprietary to Seller; nor does Seller agree to grant to Buyer any patent rights, title or license without Seller's expressed prior written consent.

12. CHEMICAL COMPOSITION ASSESSMENT AND RESTRICTIONS: Assessment of Seller for compliance to REACH, RoHS, or any other restrictions of composition or construction shall be supplied by Seller only when requested by Buyer and available or where not available, quoted by Seller and funded by Buyer as a separate line item in the Contract. Compliance with any composition or construction restrictions may in many cases require consideration from Buyer to Seller; including cost, schedule and/or design modification, and may require Buyer funding if required by Buyer.

13. EQUIPMENT WARRANTIES AND REMEDY:
a) Seller warrants that each newly manufactured Product sold hereunder and such portion of a repaired/refurbished Product as has been repaired or replaced by Seller under this warranty, shall be free from defects in material or workmanship at the time of shipment and shall perform during the warranty period in accordance with the specifications incorporated herein. Should any failure to conform to these warranties be discovered and brought to Seller's attention during the warranty period and be substantiated by examination at Seller's factory or by authorized field personnel, then at its own cost Seller shall correct such failure by, at Seller's option, repair or replacement of the nonconforming Product or portion thereof or return the unit purchase price of the nonconforming Product or component. Any Product returned for evaluation for repair that is deemed a non-warranty repair will be subject to a standard evaluation fee unless otherwise negotiated beforehand. Buyer agrees that this remedy shall be its sole and exclusive remedy against Seller and that no other remedy shall be available or pursued by Buyer against Seller. In no event shall Seller be liable for any costs or expenses in excess of those described in this paragraph and expressly excluding any liability or damages for special, incidental or consequential damages.

The warranty period for newly manufactured Products shall extend 12 months from the date of shipment by Seller unless a different warranty period is agreed to by Seller. The warranty period for repaired/refurbished articles shall extend for the unexpired warranty period of the Product repaired or replaced.

This warranty shall not extend to any Product that upon examination by Seller is found to have been subject to:

- 1) mishandling, misuse, negligence or accident.
- 2) installation, operation or maintenance that either was not in accordance with Seller's specifications and instructions or otherwise improper.
- 3) tampering as evidence for example by broken seals, damaged packaging containers, etc.
- 4) repair or alteration by anyone other than Seller without Seller's express advance written approval.

Failure to promptly notify Seller in writing upon discovery of any non-conforming Products during the warranty period shall void the warranty as to such Products. Buyer shall describe any such non-conformities in detail, expressing its position as to return of any article under the remedy provided herein. No returns shall be accepted without prior approval by Seller who shall arrange for transportation. The cost of transportation for articles returned to Seller and/or redelivered to Buyer shall be paid by Seller only if Seller is responsible for repair or replacement under this warranty. In the event the Product is found to conform to the specifications and requirements of the Contract, the transportation charges related to the return and re-delivery thereof are for the account of Buyer. **THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

b) **SELLER'S INSTALLATION WARRANTY:** Seller warrants that all work hereunder shall be performed in accordance with the standards employed by Seller in performing the same or similar services for itself. Seller disclaims any and all other representations or warranties expressed or implied, including without limitation any representation or warranty that: (i) any unauthorized entry, burglary, theft, embezzlement or any other crimes will be prevented by the equipment and/or installation thereof; or that (ii) any particular purpose or standard of care intended or desired or any particular results will be achieved by Buyer through the installation and operation of the Products to be delivered hereunder.

14. CONFIGURATION STATUS AND SUBSTITUTION OF MATERIALS:

a) If the Contract does not specify the revision level of applicable drawings and specifications, then "No Revision Specified" or "NRS" shall be applicable. NRS shall be interpreted as "same as last build" or latest revision in Seller's engineering files, whichever is the most recent revision. Seller reserves the right to make substitution of materials without degrading the quality of product. Customer approval will be solicited when changes affect form, fit or function. Seller further reserves the right to discontinue any Products without notice and to change or modify specifications at any time without incurring any obligation to incorporate new or modified features in components or products previously sold or shipped.

b) If the Contract includes Military, Federal and Industry specifications and standards, Seller will comply with the issue specified in the Contract or, at Seller's discretion, any later issue.

15. LIMITATION OF LIABILITY: Notwithstanding any other provisions hereof, Seller shall not under any circumstances be liable for any damages greater than the unit price of any Product(s) sold hereunder with respect to which any claim is made. **NO INDIRECT COSTS AND EXPENSES, ATTORNEY FEES, SPECIAL, PUNITIVE, EXEMPLARY INCIDENTAL OR CONSEQUENTIAL DAMAGES (AND, IF AND TO THE EXTENT THAT THEY MIGHT OTHERWISE NOT CONSTITUTE INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE OR EXEMPLARY DAMAGES, LOSS OF PROFITS, EQUIPMENT DOWNTIME, IDLED EMPLOYEES, CLAIMS OF THIRD PARTIES, INJURY TO GOODWILL OR REPUTATION, LOSS OF OPPORTUNITIES, OR INJURY TO PERSONS OR PROPERTY) OF ANY NATURE WHATSOEVER, WHETHER ARISING FROM SELLER'S BREACH OF CONTRACT, OR BREACH OF EXPRESSED OR IMPLIED WARRANTY, ARISING**

Buyer's obligations referred to in this clause shall not apply to any information, which Buyer can prove by written evidence: (i) is or through no breach of these Terms by Buyer becomes generally known or available to the public; (ii) is known to Buyer at the time of disclosure; or (iii) is after disclosure by Seller disclosed to Buyer in good faith by a third party without breach of an obligation of secrecy to Seller. COMPLIANCE WITH LAW: Buyer shall comply with all applicable Federal, State and local laws including but not limited to: laws concerning procurement integrity (particularly subsections 27(a), (d) and (f) of the Office of Federal Procurement Policy Act, as amended, 41 U.S.C. §423 and FAR 3.104-3); DoD Directive 5500.7; Section 319 of the Interior and Related Agency Appropriation Act, Public Law 101-121, commonly referred to as the "Byrd Amendment," (31 U.S.C. §1352); laws governing lobbying activities (2 U.S.C. §261 *et seq.*, particularly § 267); laws prohibiting the giving of bribes (18 U.S.C. §201(b) or gratuities (18 U.S.C. §201 (c)); the U.S. Congressional Gift Rules; the Foreign Corrupt Practices Act of 1977, as amended, (15 U.S.C. §78m, 78dd-1, 78dd-2, and 78ff); and the International Traffic in Arms Regulations (ITAR) (22 C.F.R. Parts 120-130), including, but not limited to, the reporting obligations set forth in 22 C.F.R. § 130.9. Buyer acknowledges that if Products purchased are to be exported, Buyer has the complete responsibility and agrees to comply with all export laws and regulations of the U.S. Department of Commerce and of the U.S. State Department.

18. INSURANCE: Buyer shall maintain its usual and customary insurance coverage for automobile, worker's compensation and third party liability claims during performance of the Contract and, if requested by Seller, name Seller an insured under its third party liability coverage.

19. NON-WAIVER: Any delay or failure of Seller to enforce at any time any of the provisions of the Contract shall not constitute a waiver of such provisions or a waiver of the right of Seller to enforce any or all provisions. If any term or provisions of the Contract is held invalid or unenforceable by any court of competent jurisdiction, the remainder of the Contract shall continue to be valid and binding upon the parties unless performance thereof is rendered legally impractical and no longer fulfills the intention of the parties under the Contract.

20. 22. FORCE MAJEURE: In addition to other liability limitations herein contained neither party shall be responsible to the other for any loss or damage due to failure or delay in performance or delivery of any of the Products or services required under the Contract when such delay or failure is due to causes beyond the failing or delaying party's reasonable control. Such causes shall include without limitation fires, floods, epidemics, pandemics, quarantines, unusually severe weather, embargoes, wars, political strife, riots, delays in transportation, compliance with any regulation or directives of any national, state or local municipal government or authority and unforeseeable shortages in fuel, power, materials or labor. In the event a Force Majeure event lasts longer than ninety (90) days, Seller may terminate the Contract for its sole convenience and Buyer agrees to pay Seller's costs for work performed to date plus a reasonable profit as determined solely by Seller.

23. TERMS EXCLUSIVE: These Terms constitute the entire agreement between the parties concerning the subject matter hereunder and the parties acknowledge and agree that none of them has made any representation with respect to the Terms or any representations including the execution and delivery hereof except as specifically set forth herein.
