

Product End of Life Notice (2024-V-104E)

Products being discontinued:

Product/Series	Description
D691 Series	Series of Proportional Valve, Size NG10, p/Q-control

Schedule:

End of Life Announcement	August 1st, 2024
Phase-Out <i>New orders accepted up until this date.</i>	December 31st, 2025
Service <i>Repair and support is available until this date.</i>	December 31st, 2028
Discontinued <i>The products are no longer available from Moog following this date.</i>	January 1st, 2029
<i>Note: All warranty will be honored</i>	
<i>Disclaimer: The possibility of repairs during the service period is highly dependent on the availability of the hardware components at the time of repair. Moog will endeavor to maintain the ability to repair the products for the period specified above. However, due to circumstances beyond its control, it may not be able to fulfill this obligation.</i>	

Alternative product suggestions:

Discontinued Product	Alternative Product	Modifications needed or 1:1 replacment?
D691 Series	D941	Modifications may be needed

Product End of Life Notice (2024-V-104E)

Reason for product end of life:

Technical: Using outdated technology concepts means that the products are no longer compatible with current market standards or customer expectations.

Infrastructure: Maintaining the infrastructure in the production environment to manufacture, assemble and test products is becoming increasingly challenging.

Supply chain: Sourcing of third-party components for our product(s) is severely hampered due to obsolescence of those components or sometimes impossible due to the absence of suitable alternative products.
