

## Product End of Life Notice

### Products being discontinued:

Product	Description
-086 Series Test Actuators	Hydrostatic Bearing Test Actuator

### Schedule:

<b>End of Life Announcement</b>	<b>August 01, 2024</b>
<b>Phase-Out</b> <i>New orders accepted up until this date.</i>	<b>Immediately</b>
<b>Discontinued</b> <i>The products are no longer available from Moog following this date.</i>	<b>Immediately</b>
<b>Service</b> <i>Limited Repair and support is available until this date.</i>	<b>June 01, 2026</b>
<i>Note: All warranty will be honored</i>	
<i>Disclaimer: The possibility of repairs during the service period is highly dependent on the availability of the hardware components at the time of repair. Moog will endeavor to maintain the ability to repair the products for the period specified above. However, due to circumstances beyond its control, it may not be able to fulfill this obligation.</i>	

### Reason for product end of life:

Infrastructure: Maintaining the infrastructure in the production environment to manufacture, assemble and test products is becoming increasingly challenging.

Supply chain: Sourcing of third-party components for our product(s) is severely hampered due to obsolescence of those components or sometimes impossible due to the absence of suitable alternative products.
